Meg Cabot

Stephanie Landry's been the least-popular girl in her class since a certain incident five years earlier. But this year, she has a secret weapon: An old book called *How to Be Popular*. All Steph has to do is follow the instructions in *The Book*, and soon she'll be partying with the It Crowd (including quarterback Mark Finley) instead of sitting on The Hill Saturday nights, stargazing with her nerdy best pal Becca, and even nerdier Jason (now kind of hot, but still).

Steph doesn't realize is that it's easy to become popular. What isn't so easy? Staying that way.
